

What We Can Offer.

At Aurelia we offer a variety of courses as apprenticeships and Diplomas, funded through the Levy, Non-Levy, Levy Transfer, the Student loans company and privately.

We have group and 1to1 workshops, these are delivered via blended learning - face to face where permitted as well as remotely. These meetings are at least monthly and additional support provided as needed in between sessions.

We work with learners and employers to look at the best ways of delivery and also, we make sure the courses suit the learner's role.
