

ASSESSOR COACH AWARD

Who is it for?

This level 4 apprenticeship standard is designed as a minimum 15-month programme and is for apprentices who wish to gain the skills, knowledge and behavioural competences required to work in a Assessor/Coaching role. The Assessor Coach role has emerged within the Education and Training Sector over the last 30 years, originally as a result of the implementation of vocational (competence based) qualifications and formalised work-based education. The Assessor Coach is a dual professional, using their up-to-date professional knowledge and skills to support vocational and professional development. When qualified they can work co-operatively with training providers or professionals (such as teachers, human resource professionals and mentors/supervisors in the workplace) in supporting the learner's development of vocational competence and the wider skills that relate to employability and professionalism.

About the course

During the course skills will be developed for the assessor coach role, dependent on previous experience and qualifications during the training qualifications in the following may be obtained.

Level 4 Education and Training – The Certificate in Education and Training prepares trainee teachers and trainers to teach in a wide range of contexts. To achieve the qualification there is a requirement for teaching practice that requires observation and assessment of performance.

Level 3 Assessing Vocational Achievement – The certificate are for those who will be assessing both occupational and vocational skills, knowledge and understanding.

Functional skills English, Math's and ICT – If the learner does not have English, Math's or and ICT Qualification GCSE or equivalent at grade C & above, then to complete the course they will work with a qualified functional skills tutor to complete the qualifications required.

Level 1 Safeguarding Qualification

End Point Assessment - During the course, the learner will be working towards the knowledge, skills and behaviours to go to gateway. When this has been achieved and the employer feels that the learner is ready then End Point Assessment can take place. This involves the examination board assessor carrying out an observation with questions and answers and a showcase with a professional discussion which will be marked, fail, pass, merit or distinction.

What are the benefits for learners?

- Accredited qualifications
- Safeguarding qualification
- English, Math and ICT qualifications
- Bring able to progress onto a teaching role within education and training.
